- Access is possible for people with reduced mobility.

3) General information on tasting packages

We try to alternate the young and old vintages according to our supply.
However, we remain available for special requests.
- In case of a **modification of the initial package** (tasting portion, types of wine, preference for a dominant white/red, etc.), these changes will lead to a **reevaluation** of the rate of the tasting.
- The duration of the service varies according to the size of the group and the chosen wine package.

4) General information on tours

- As part of the simple tastings – without meals- the **tours of the property are optional and extra.**

Each visit includes the **discovery of our vineyard**, “Le Clos des Meix”, monopoly of the Estate, planted in an area of appellation of the Corton Grands Crus and embellished with a discussion of the landscape with a reminder of the fundamentals to know about Burgundy wines. Finally, it concludes with a glimpse of our **13th century cellar**, formerly used by the ancestors of Domaine Senard and now a demonstration cellar.
- **We re-establish that the winery is located on another site and cannot be visited.**
- The visit is generally proposed first, **before** the tasting.
If, for logistical reasons, it cannot be done before, it will be done **after** the tasting.
